

BOSTON PATERNITY

T H E D N A S O L U T I O N

Estate Planning DNA Profile

- **Legally Admissible Results**
We maintain a strict Chain of Custody.
Results are notarized by a PhD.
- **100% Accurate**
Our laboratories test 16 genetic markers, and each case is tested twice to ensure results are consistently accurate.
- **Prevents Fraudulent Claims**
By proving identity our clients can determine whether biological relationships exist.
- **DNA Insurance Policy**
A DNA Profile protects your identity and your estate.
- **Affordable**
Price starts at only \$149.00
